6. What happens next?

In July, international experts in communication- and brand design will meet to assess your project. The jury session for the Red Dot Award: Brands & Communication Design does not have any digital preselection and there is no shortlist. All participants are subject to the same conditions, as the Red Dot jury assesses every project after intensive discussion – live and on site.

A few days after judging, we will announce the results to all participants via e-mail.

If your project wins an award, our Winner Service team will contact you to discuss and clarify any questions around ordering the Winner Package as well as on using the label and regarding the presentations (yearbook, online, exhibitions, etc.) and the communication service.

The award ceremony will take place on 23 October 2020. You can book tickets for the event in September 2020 in the My Red Dot portal (advance reservations are not possible).

During the Red Dot Gala, the Red Dot: Best of the Best winners will receive their trophies on stage at the Konzerthaus Berlin (Germany). The Red Dot laureates will receive their certificates at the subsequent Designers' Night in the ewerk Berlin, where all winners can join to celebrate their success in the Red Dot Award: Brands & Communication Design 2020. The winners' exhibition "Design on Stage" containing all of the award-winning projects will be opened exclusively on this evening. 23 October 2020 will mark the start date for the online presentation of all award-winning products.

If your entry does not win an award, please do not be discouraged. You can take part with new projects next year and take advantage of the next opportunity to win a Red Dot.
